OLIVE OIL

# THE COMPANY

# EMELKO SA

**EMELKO SA** is located on the island of Crete, and specializes in the production and promotion of high quality oil products since 2002.

The standardization of our products takes place in our brand new and ultra-modern factory in Alagni village in the region of Heraklion, in Crete, Greece. The indoor working spaces amount 4000sqm in an open area of 10.000sqm.

Our production capacity consists of 3 production lines, 1 for glass bottles (8000-10000 bottles/day) and 2 for PET and tins (5000 tins/day) Having big production facilities and tanks of 6000 tons, we can meet the most demanding expectations of our customers, delivering the products very fast and efficiently.

Our factory is **IFS ,BRC,KOSCHER** certificated.

Nowadays we export to more than 15 countries worldwide, with vast experience – in terms of shipped volumes – to **USA,China, Russia and Europe.**
